Mapped, edited, and published by the Geological Survey

Control by USGS, NOS/NOAA and USCE

Topography from aerial photographs by photogrammetric methods
Aerial photographs taken 1953. Field check 1959

Polyconic projection. **1927 North American Datum**
10,000-foot grid based on California coordinate system, zone 5
1000-meter Universal Transverse Mercator grid ticks,
zone 11, shown in blue
To place on the predicted North American Datum 1983
move the projection lines 6 meters north and
87 meters east as shown by dashed corner ticks

There may be private inholdings within the boundaries of the National or State reservations shown on this map

Certain land lines are omitted because of insufficient data. Land lines updated in 1988
